**The NESLL is a non-profit organization
dedicated to the enhancement of youth
lacrosse throughout New England.**

Camp Mission:

This camp is designed for the experienced young player who aspires to play lacrosse at increasingly more competitive levels. Just as the New England Select Lacrosse League has provided an avenue for the region's top players to grow and improve through competitive play, the NESLL Elite Summer Camp seeks to provide a high intensity focused camp experience. Here, New England's top young players will learn from some of the region's most experienced coaches and collegiate players. We employ some of the most experienced, knowledgeable and successful coaches in the region. Your son will be learning from seasoned coaches and hand picked collegiate players – not college or high school kids who may play the game, but don't necessarily know how to teach it.

The Camp curriculum reinforces the fundamentals of the game while exposing campers to the "next level" of both team concepts and individual skills. By combining drills, demonstrations and games, campers are ensured the opportunity to get better and to have fun.

Enrollment is open to current and former U-15 and U-13 NESLL players as well as qualified players from outside the region. Last summer's campers represented 8 states. Enrollment is limited and registration is taken on a first come basis without exception. A waiting list is established for those who enroll late.

Being Together

The experience of being away from home – even for a few days, can be a new and potentially daunting experience for a youngster. Our camp staff includes many boarding school coaches and college players who are boarding school grads. As such, we are fully committed to providing a safe, structured residential experience. Our staff values the relationships they build with young players and enjoys the experience of passing along their expertise and advice.

Campers are housed in the GA dorms 2 or 3 to a room. Camp staff also room in the dorms with the boys. As part of our commitment to a quality camp experience, we hire a Camp Residential Director. This person has no on field coaching commitments, and seeks to ensure that campers are safe, happy, well fed, and rested.

Jeffrey Wotton, GAs head trainer and associate athletic director is on hand to ensure that campers have the best available on and off field sports medical care. Jeff has 15 years of experience. All campers must submit appropriate medical records prior to camp. Governor's Academy provides on site 24 hour security.

Governor's Academy:

GA, one of the leading College Preparatory boarding/day schools in the northeast, has an outstanding facility located on 450 acres in Byfield, just south of Newburyport, MA. The campus encompasses 8 playing fields, a brand new 100yd x 120yd turf field, 10 dormitories, a modern dining facility with excellent food, the Alford Fitness Center and a the newly renovated Student Recreation Center with snack bar, game room and 60" plasma screen TV.

Camp Administrators

Ken Allis & Mark Muscatello - Founders of the NESLL.

Peter Bidstrup - Camp Director

Head coach at Governor's Academy (12 years). 20 years of camp coaching experience. Experienced boarding school administrator.

Camp Staff

Top high school and college coaches, as well as college players, will be on staff to coach, instruct and mentor our NESLL Campers. In addition, special guests of the NESLL will be present throughout the session to conduct lectures and demonstrations.

Sampling of Camp Staff/Guest Coaches
